

10 good reasons why **YOU** should study **THEOSOPHY**

Because it —

1. **SOLVES** the riddle of the universe by harmonizing the facts of science with the fundamental truths of religion.
2. **PROVES** life worth living by rendering it intelligible and by demonstrating the justice and the love which guide its evolution.
3. **REMOVES** all fear of death, and much of its sorrow; recognizing birth and death, joy and sorrow, as alternating incidents in a cycle of endless progress.
4. **INSISTS** upon the optimistic view of life; proclaiming each man or woman as the master of their own destiny, child of their past, parent of their future.
5. **DEMONSTRATES** the Power, the Wisdom, and the Love of the Divine; notwithstanding all the sorrow and misery of the world.
6. **BRINGS** hope to the hopeless by showing that no effort is ever wasted, no error irretrievable.
7. **PROCLAIMS** the immanence of the divine spark within each human being, as well as his ultimate attainment of perfection.
8. **DECLARES** the universality of the Law of Causation; maintaining that “what-soever a man soweth, that shall he also reap,” in this, and all other worlds.
9. **REGARDS** the world as a school, to which each individual returns again and again, until all its lessons have been acquired.
10. **AFFIRMS** the universal brotherhood of humanity; and provides a basis of union for all who desire to work for its realization.
